

Vanguard Edge, the hybrid trading services provided by The Vanguard Group, seamlessly combines the best of expertise and technology in the trading field. Picture a team of experienced financial experts working hand in hand with advanced technology to make money for you from the financial markets. That's **Vanguard Edge** at work, using decades of experience and cutting-edge trading tools to ensure you get maximum profits from the markets.

This platform isn't just for big institutions; it's designed to help everyone. Whether you're an individual investor dreaming of financial freedom or a business looking for top-notch trading solutions, we offer diverse plans for every level. Understanding the challenges in the financial world, we've set up strong risk management systems to keep your investments secure and stable.

With a performance history of over 40 years, Vanguard consistently outperforms industry standards. Our track record tells the story of our strong commitment to helping you achieve your goals. **Vanguard Edge** is our latest innovation on this amazing journey.

GETTING STARTED

You can begin utilizing our hybrid trading services by following these simple steps below:

REGISTRATION

- Visit www.vanguardedge.live
- Click on "**Get Started.**"
- Enter your personal information as directed and submit to create a live account.
- Proceed to KYC (Know Your Customer).
- Provide your personal details and upload your ID for instant verification.
- Congratulations! Your live trading account is now active and ready to go.

FUNDING

- Click "**Deposit.**"
- Choose a deposit channel.
- Make payment using live account details.
- Enter the amount and submit for confirmation.

BUY A PLAN

- Click "**Upgrade.**"
- Pick the trading plan you want.
- Then submit a request to buy.

NOTE: Once your request is approved, your live account will be updated, and trading sessions will commence. You will not be directly involved in trading, as we will manage the trading operations on your behalf. You can monitor the progress and outcomes of the trades on your dashboard.

TRADING PLANS

Various trading plans cater to different investor levels, each offering distinct attributes. You have the option to upgrade your trading account to a higher package, unlocking access to enhanced trading instruments and strategies for exclusive benefits. The available plans are as follows:

RETAIL INVESTORS

Check out our variety of trading plans made just for regular investors. We have Basic, Deluxe, Executive, and Elite options, each designed with unique features and trading benefits.

HIGH NETWORTH INVESTORS

Explore our exclusive range of trading plans curated for high-net-worth investors. Choose from the Master, Platinum, Titanium, and Diamond plans, or opt for a custom-tailored solution designed specifically for your unique financial goals. Simply schedule a call for custom plans.

INSTITUTIONAL INVESTORS

Explore personalized options with our Custom plans tailored specifically for this category. Simply schedule a call, and we'll help create a plan that fits your unique needs and preferences.

ONE HYBRID TRADING FIRM, COUNTLESS TRADING OPPORTUNITIES

Gain access to a broad range of markets, trading technology, and platforms.
